Required Protective Riding Gear (*Saturday and Sunday range only*)

You will be required to wear the following motorcycle riding gear for all on-cycle- sessions.

- Helmet – Must meet DOT standards and be in excellent condition. If you do not have a helmet or yours does not meet standard, Ride Arizona MTC will provide one during the course.
- Gloves – Must be full-fingered gloves. If you have your own full-fingered gloves, please bring them with you. If you don't have gloves, Ride Arizona MTC will provide a pair during the course.
- Eye Protection – Glasses, goggles or if you have a face shield on your helmet.
- Long – Sleeved shirt and or jacket.
- Sturdy long leg pants – such as jeans. No sweats or tights or alike are not acceptable.
- Boots or over the ankle shoes – No high heels, platforms or canvas shoes. Must be over your ankles, be free from dangling straps or laces and provide support and protection.

Rider Coaches will verify proper riding gear.

YOU WILL BE SENT HOME IF NOT PROPERLY DRESSED - NO REFUNDS

Be Prepared:

- You must be at least 15 years 6 months of age.
- You must have currently ride and possess bicycling skills.
- You must be physically able to walk and push a 300lbs motorcycle.

Riding a motorcycle and participations in a RiderCourse requires physical stamina, motor coordination and mental alertness. Be sure you get a good night's sleep before all class dates. Do not drink any alcoholic beverage or take any medication or drugs that may impair your ability to operate a motorcycle safely.

If you are under a doctor's care or have any physical or mental conditions which could affect your ability to operate a motorcycle safely, PLEASE tell the RiderCoach prior to the start of your course.

Failure to complete a course due to a medical condition that the training facility Ride Arizona MTC was not aware of will result in the loss of your tuition.

We ride in both rain and shine, so bring sun block and or rain gear to be prepared. If you should get hungry before we break for lunch, please bring snacks if needed.

Be Prompt:

- It is best to arrive 15 minutes before all classes (classroom/ range). We need to start on time. If you should be more than 7 minutes late, you will be asked to reschedule / dropped from the class and be charged for a rescheduling fee.
- We are sometimes subject to weather or unforeseen conditions, so leave yourself at least 1-hour leeway at the end of the training day; course times may extend.

Course requirement to attain completion card:

- The State of Arizona and the Motorcycle Safety Foundation (MSF) requires 100% attendance of all RiderCourse sessions in order to successfully complete the course. You will be required to demonstrate an on-cycle skilled evaluation test if taking the BRC2 as well as passing a written knowledge test to attain a completion card.
- This will not hold true for the Advance RiderCourse where you already hold a "M" endorsement on the back of your license or already have a "M endorsement during a BRC2 class.

We cannot guarantee that you will successfully complete this course or that you will be able to ride safely enough to be allowed to continue in all of the riding sessions.

There may come a time where either you or the RiderCoach may drop you from the course; this is done in two ways:

- You are operating in an unsafe manner
- Or you are not meeting MSF course evaluation guidelines

When this is the case, there will be no refund of tuition and you will not be able to participate in the riding sessions. As mention above we cannot guarantee your success. You will have to call the office on Monday.
